

2017 - 2018 BRIDGE BUILDERS

University of
MOUNT OLIVE

*A Ministry of
Original Free Will Baptists*

Purpose

The purpose of the University of Mount Olive is to provide a Christian university to meet the educational needs of the Free Will Baptist Church, the people of eastern North Carolina, and the regions beyond. To help achieve this purpose, the University sponsors a series of annual dinners which focus on the Bridge Builders, a special gift support program that invites individuals, families and church groups to participate in the educational services of the University. Bridge Builders have a significant role in assisting the University in the development of people through Christian higher education. Bridge Builders are those who make an unrestricted gift or pledge of \$100 or more through the fall University dinners. Six categories are included in the Bridge Builders program:

The Bridge Builder

An old man, traveling a lone highway,
Came at the evening cold and gray,
To a chasm, vast and deep and wide,
Through which was flowing a sullen tide.

The old man crossed in the twilight dim-
That sullen stream had no fears for him;
But he turned, when he reached the other side,
And built a bridge to span the tide.

“Old man,” said a fellow pilgrim near,
“You are wasting strength in building here.
Your journey will end with the ending day;
You never again must pass this way.
You have crossed the chasm, deep and wide,
Why build a bridge at eventide?”

The builder lifted his old gray head.
“Good friend, on the path I have come,” he said,
“There followeth after me today
A youth whose feet must pass this way.
This chasm that has been naught to me
To that fair-haired youth may a pitfall be.
He, too, must cross in the twilight dim;
Good friend, I am building the bridge for him.”
