
Early Childhood Education Program Alumni Survey

In addition to Mount Olive College's Graduation Survey, individual academic programs conduct surveys of their program graduates. The Education department conducted a 2008 survey of their **Early Childhood Education Program (ECE)** graduates (May 2004 through May 2008) in which they distributed 253 surveys with 41 alumni responses; a 6.02% response rate.

Fig. 4 Education after MOC degree (ECE Alumni Survey)

28 alumni responded to the question regarding what other institutions they attended after attaining their MOC degree.

Note that this data is not statistically significant

Fig. 5: North Carolina Counties that MOC ECE Students are Employed (ECE Alumni Survey)

According to the results of the ECE alumni survey (n=41), there were 17 North Carolina counties in which former MOC ECE students were employed.

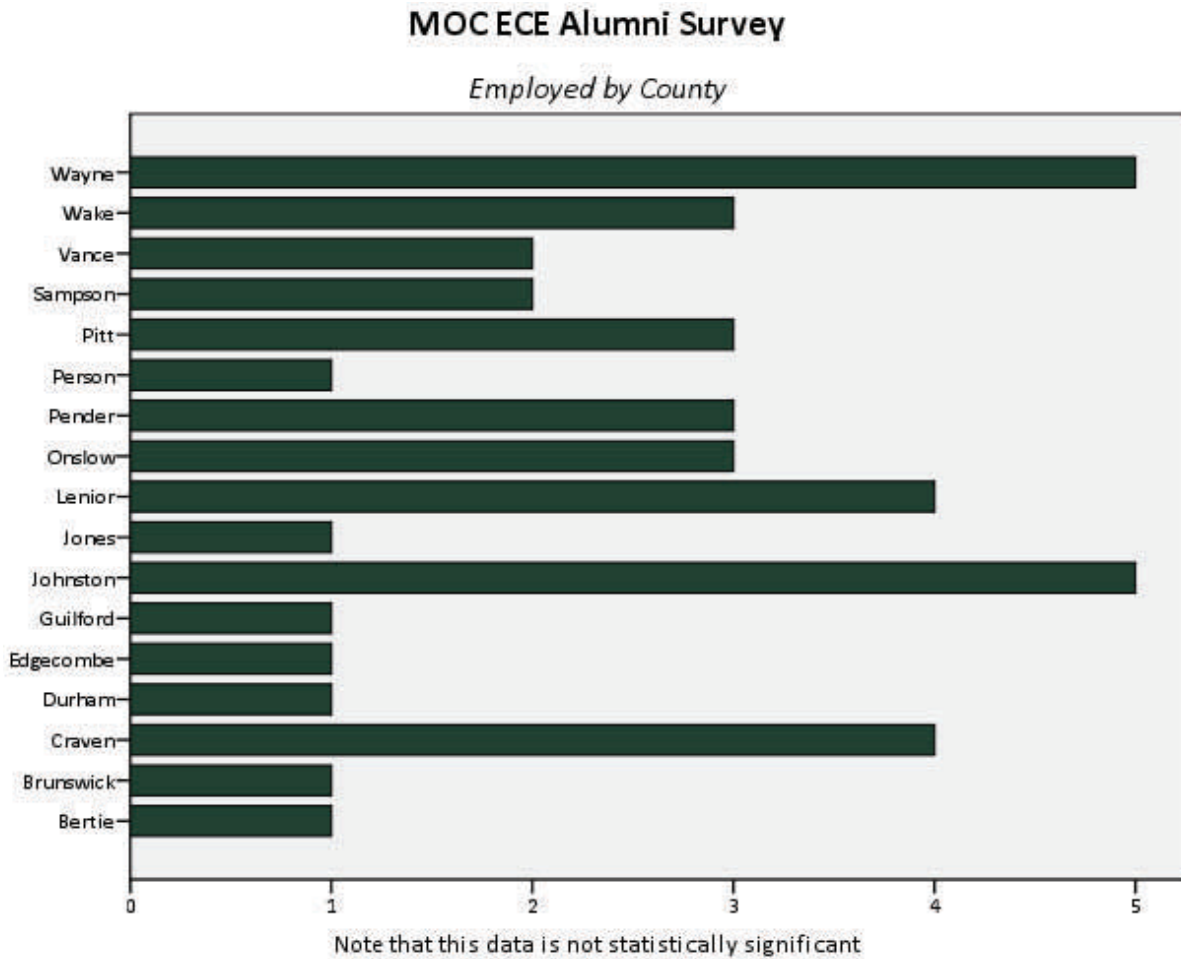

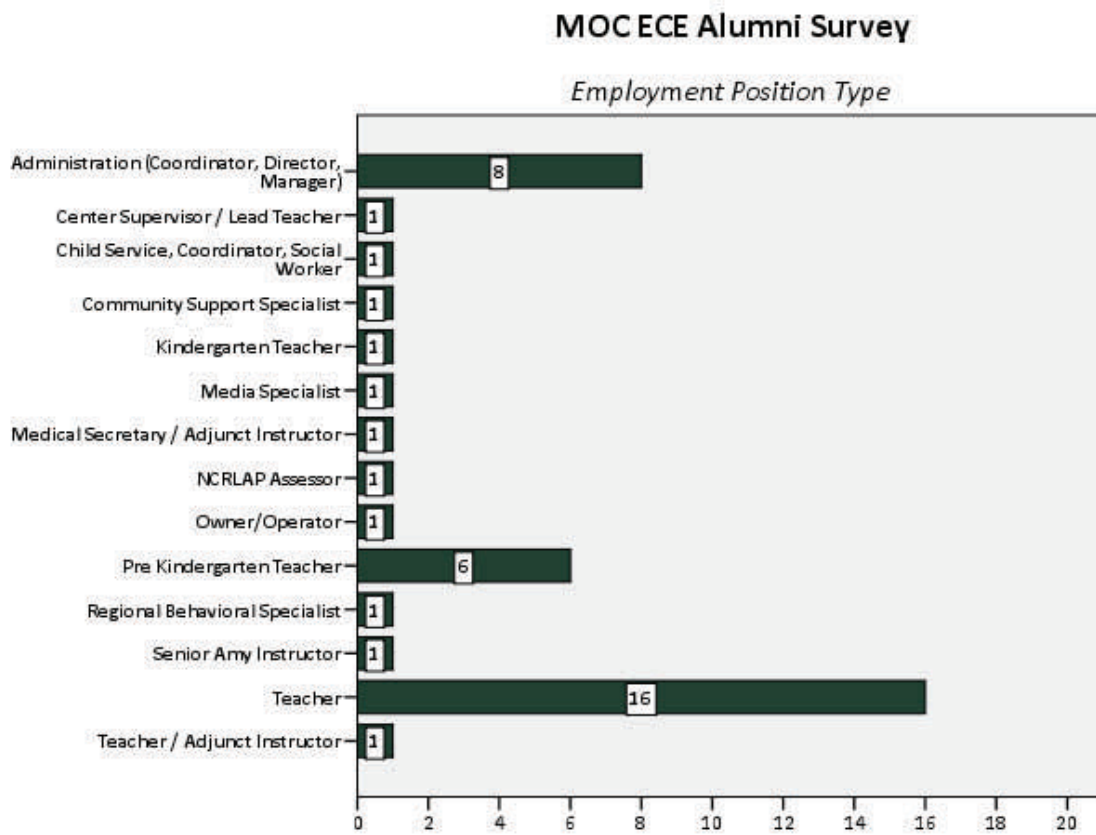

Fig. 6: ECE Alumni Employment Position Type (ECE Alumni Survey)

41 Alumni responses with their current employment.

Note that this data is not statistically significant
